novotegra GmbH
Eisenbahnstr. 150

We hereby inform you that the following products supplied by us do not contain any substances of very high concern (SVHC) on the candidate list (as of 23 January 2024) above 0.1% in accordance with Article 33 of the REACH Regulation (Regulation (EC) No 1907/2006).

The EU suppliers of articles that are processed in our relevant quantities are also obliged to inform us unsolicited if the products they supply contain an SVHC substance above 0.1%. If we receive such information from our suppliers and thus become aware that the 0.1% by mass threshold for an SVHC substance has been exceeded in our products, we will inform you.

We also obtain written confirmation from all relevant EU suppliers that no SVHC substances > 0.1 % are contained in the products supplied.

We enter into separate agreements with all non-EU suppliers of articles that are processed in our products to a relevant extent. In these agreements, we obtain written assurance that we will be informed immediately if the 0.1 mass per cent threshold for an SVHC substance is exceeded in a product supplied to us.
